WHAT IS A CASH MOB?

Cash mobs encourage members of a community to make a change and help support a local business. Mobbers typically spend \$20 at the business being mobbed, which creates immediate economic stimulus.

WHY CASH MOB?

Not only are cash mobs helping local businesses achieve financial success, they are creating everlasting customers and uniting people of the community!

WHERE DO WE CASH MOB?

Over the next 30 days we will highlight local business and their specials, incentives promotions, services, and items. We are encouraging residents to make a effort to choose 2-3 businesses each week to support.
